

I understand that K-LOVE which heard on FM translators in many areas could be adversely affected by the priority status of LPFM stations. K-LOVE is widely listened to, and provides one of the few wholesome family friendly programming. At our home, along with thousands of others, it is on constantly 7 days a week and is highly valued. In our area, there is no other station that provides this type of programming. Please do not cause the stations to go off the air.
